

## DMO - DGO series - High pressure steel - HP reinforced rubber hose

### Technical characteristics

**Technology:** Pipe locked with ratchet stop

**Max operating pressure:** 400 bar

**Temperature:** -40°C to +150°C

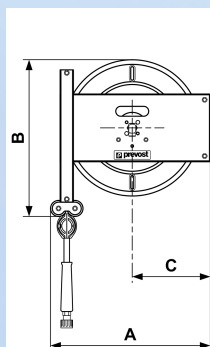

**Equipped with:** Fixed bracket

Inlet: G 3/8 F

Outlet: G 3/8 M and coupling M22 x 1.5 F

Pressure: 400 bar

Temperature: -40°C to +150°C
